

Menu production prices:

The price for printing the menu is calculated individually and depends on:

- Volume (1, 10, 20 ...)
- The number of pages (1, 4, 8 ...)
- Production materials (coated paper, designer cardboard, plastic, fabric, leather ...)
- Printing technologies (digital or silk screen)
- Postpress processing (cutting, stamping, varnishing, velvet, hot stamping foil ...)
- Fasteners (paper clips, rivets, thermal binder, springs ...)
